*Serving Franklin and Ripley
Counties since 2013*

"Nobody cares how much you know until they know how much you care."
Theodore Roosevelt

Our Mission

The Health Center offers medical, dental, and mental health services to residents of Franklin and Ripley Counties who do not have any healthcare coverage or have high-deductible insurance.

Services Offered

- Primary and Preventative Care
- Acute Care - *infections, rashes, simple injuries, wound care, respiratory/urinary/gastrointestinal conditions, sexually transmitted infections.*
- Chronic Care and Management - *Diabetes, hypertension, asthma, COPD*
- Mental Health - *depression management and counseling*
- Women's Health - *all women's health needs are covered.*
- Lab Services
- Health Education and Counseling
- Referral to Specialist
- Limited Pharmacy Services - *excluding narcotics and controlled substances*
- Dental Services - *extractions, cleaning, and cavity repair*
- Vision Services - *includes eye examinations, consults, and referrals.*

At Southeast Indiana Health Center, we recognize sometimes a person will forgo medical attention due to the inability to afford the co-pay or out-of-pocket expenses and/or simply cannot meet the required deductible before any services are paid.
